J., July 6.—James Sullivan, "the wild man of the African jungle" arrested yesterday in a police raid on boardwalk side shows, failed to dip up the \$200 fine imposed on him by Recorder Hayes to-day for breaking the local Sunday laws and the county jail will have him for an inmate until he serves the time necessary to work out his fine.

MEYER NOT SERIOUSLY ILL. WASHINGTON, July 6.—A report from Richmond that Postmaster-General George von L. \$17,000 STAKE GOES TO BELMONT'S GREAT HORSE, FAIR PLAY

Sir Martin Wins Second Half of Double Event for Madden, Fayette, Stable Companion, Having Won First Part of the Stake. BY VINCENT TREANOR. (Special to The Evening World.) SHEEPSHEAD BAY RACE TRACK, July 6.—August Belmont's Fair Play won the Lawrence Realization here this afternoon with ease.

The victory of Fair Play added a little matter of \$17,800 to Mr. Belmont's bank roll. Alfred Noble was an added starter, but was outclassed in such company and finished a poor fourth.

The start of the race was not up to Mars Cassidy's standard. Dorante bolted just as the webbing was sprung, but Lee soon got him straightened and going around the first turn was on even terms with Fair Play and King James.

On the run to the backstretch Dorante shot to the front, and at one time was leading by three lengths. Dugan got away on Fair Play midway between the far turn and the stretch and soon caught Dorante, fier that it was easy, for Dorante shortened his stride, and even King James had no trouble in passing the former. That's the way the finished.

Racegoers who came to the course were inconvenienced by being compelled to walk under the hot sun from the outskirts of the railroad yard outside the gates, as the rear car of the B. R. T. train had jumped the track and held up a Long Island train. A wrecking crew was near and the wreck was soon cleared. None was hurt.

The Saratoga Racing Association gave out some good news to-day. With a view toward finding out how the attendance would be at the Spa a request was made to box holders of last season to send in applications at once if they intended to patronize the meeting. As a result of this move it has been officially announced that there will be few absentees.

Melissa Has Narrow Escape. Melissa won the opening event all the way, although right at the end McCarthy came up, nearly closed the race away. Gilding Belle, closing with her usual rush, all but got up. She was an easy second, in front of The Pippin.

Cheponius was regarded as a good thing in wise quarters, but got nothing. Helen Harvey ran out. ROSEBORN WAS THIRD. Peter Quince by three lengths. Dreamer second, and Roseborn, an added starter, third, that was the order of the finish in the second race. Peter Quince ran back to his good form and won easily. Roseborn broke in front in his usual fashion, but Notter quickly sent Peter Quince up to him, laying within a length of the "Big Train" to the stretch. Turning for home Roseborn still had a length advantage, but Notter at the whip was shaking up the Keene colt. At the sixteen pole he caught Roseborn, and the latter stopped. Peter Quince then went on to win easily. Dreamer closed fast in the last one hundred yards and got up in time to get the place money from Roseborn.

Madden Wins Rich Stake. John Madden won the second part of the double event with Sir Martin, taking down \$300. Keene's Helmet was second and Fayette third. Had Fayette won Madden's share would have been \$100 more, for according to the conditions, \$100 additional in money or place is given should the same horse win both parts of the race. Fayette won the first part at the beginning of the meeting. Sir Martin won a great race to-day. Swinging into the stretch Helmet had a four-length lead and looked like a winner. Lee on Sir Martin saw that Fayette, the one Madden had declared to win with, couldn't catch Helmet, so he set sail. With gentle strides he gradually cut down the big lead and finally got alongside Helmet, which was stopped at the finish. Helmet caught Helmet stopped and was
